LOW PRESSURE HAND PUMPS

Our range of low pressure hand pumps continues to impress in the field. Imported from Italy the new double acting hand pumps and steel tank are suitable for a range of applications in industrial, agricultural and transport fields. Tanks, sold separately, are available to suit all PT Hydraulics Low Pressure Hand Pumps and are available in 3L, 5L and 7L capacities. Also available is the 600mm hand lever to suit all pumps.
