quoted and built to
customer specifications**

NEW PRODUCTS HAVE ARRIVED...

In last month's FPP Newsletter we thanked our valued distributors for their ongoing support and announced the expansion of our product sales program to include a quality range of Bell Housings, Couplings, Filtration and Accessories.

This month we are pleased to report that our first batch of Test Points, Pressure Gauges and Gauge Adaptors has landed.

To place your order please contact PT Hydraulics Head Office or your Regional Sales Manager.
