POWER TEAM®

integrity performance commitment

With more and more high force hydraulic tools and equipment flooding into Australian markets, it is important to remember why you should keep buying Power Team. Power Team can trace it's roots back to 1918, from which time the Power Team brand has emerged as a market leading hydraulic manufacturer offering quality solutions at affordable prices. So, next time you need High Force Hydraulic Tools and Equipment consider the following strengths of Power Team...

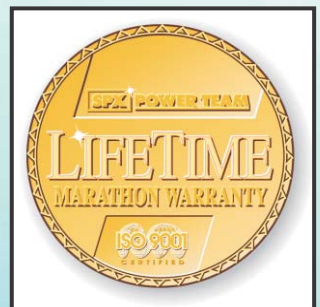

- Made in the USA*
- Quality resources & manufacturing
- Extensive stock holdings
- Nationwide Service Centres
- After sale support
- Technical support

POWER TEAM® Life Time Warranty

Power Team's commitment to quality is evident in everything we do, from raw material receipt to how we support our customers years after they purchase our products. Power Team is registered to ISO 9001-2000 International Quality Standard ensuring that we comply with management,

administration, product development, manufacturing and continual improvement standards. Furthermore, all Power Team products come with the Power Team Life Time Marathon Warranty (conditions apply).

handy hydraulic hint

When needing to source Hydraulic High Force Tools and Equipment look no further than Power Team. By using Power Team hydraulic products you can rest easy that you're using the best and most reliable hydraulic tools in the market.

* Excludes RC Series Cylinder - Made in Europe
