

PRE-BUILT **STONE**™ POWER UNITS

The most economical way of purchasing
your Stone DC Power Unit

PT Hydraulics Australia have a range of pre-built DC power units to choose from to make your selection easy and cost effective.

Simple single acting and P&T port, 12v & 24v power units are available. All you need to do is select your tank from PT Hydraulics large range of steel and plastic tanks. You can also select a corded or wireless pendant as well.

When you receive the unit and the tank, simply bolt the tank to the power unit and it's ready to run. All units are pre tested and relief set before shipment.
