

HYDRAULIC TANKS & TANK COMPONENTS

PT Hydraulics Australia stock a large range of Hydraulic Tanks.

Our standard range of sizes cover tanks from 20 litres to 400 litres. You can order your tank powder coated, raw or in a special industrial coating. We can also supply a lid to suit with cutouts to suit your top-works.

PT Hydraulics also offers a custom service enabling you to design your own tank for a special application.

tank accessories

PT Hydraulics Australia offers an extensive range of tank accessories and components such as:

- Filler Breathers
- Level Temp Gauges
- Weld Flanges
- Magnetic Plugs and Rods
- Gaskets
