

HYDRAULIC MOTORS

FLUID POWER COMPONENTS

Pt Hydraulics import a range of Hydraulic Motors and Brakes from a leading manufacturer ZJH Hydraulics.

The BMR Series Motor has the following impressive characteristics:

- * Advanced manufacturing design of the Gerolor gear set, enables low pressure at start up and smooth reliable operation at high efficiency
- * Low noise level
- * Compact in size and easy installation

Gerolor and Gerotor style motors from 3kw to 17kw are available from PT Hydraulics Australia's warehouse

Applications:

- * Crane Slew
- * Drive on Small Diggers
- * Horizontal drive of Scissor lift

Hydraulic Motor Mounted Brakes with static Torque of 450 Nm.
