

## Double Hose Reels

### DSH 20, DSH 30

The practical Double Hose Reel for rapid deployment. Two tools can be stored on the vehicle - already connected to the pump - ready for action. When needed - pick-up the tools and unroll the hoses.

#### Highlights:

- ✓ Space saving storage of hose sets on the vehicle
- ✓ Hose sets can be unrolled - even under pressure
- ✓ Color-coded hose sets prevent confusion
- ✓ Mechanical brake for both hose sets

The DSH-20 is designed to be mounted on LUKAS pumps with R-frame (DIN-version). With a conversion-set, it can be used as a stand-by unit.

#### Technical Data

DSH 20	Hose length	2 x 66 ft./ 20 m
	Weight	92 lbs / 42 kg
DSH 30	Hose length	2 x 99 ft./ 30 m
	Weight	116 lbs / 53 kg

Conversion set for use as stand-by reel

DSH 20

PW-6R-SH

GS-6R-SH

DSH 20 with mounted conversion set as stand-by reel

Hydraulic hoses with safety ratio 4:1

### Single Hose Reels and Hoses

#### ESH 15, ESH 20

The LUKAS Single Hose Reel allows for storage of a 66' (20 m) hose set on the rescue vehicle. In action the hose reel can remain on the vehicle - with only the hose unrolled - or can be taken to the rescue.

#### Application:

- ✓ Single hose reel in stand-by version

#### Highlights:

- ✓ Hose set can be un-rolled - even under pressure
- ✓ Hose reel is equipped with a mechanical break
- ✓ The ESH-20 can be attached to a LUKAS Power Unit with R-frame (DIN-version) by means of a conversion set.

Hose length 66' (20 m)

Wet weight 50 lbs (23 kg)

ESH 20 with 1,5 m Connection Hose Pair

#### Technical Data

##### ESH with quick couplings

ESH 15	Hose length 49 ft. / 15 m	Weight 17,3 kg
ESH 20	Hose length 66 ft. / 20 m	Weight 20 kg

##### ESH 20 with 66 ft. / 1,5 m connection hoses and quick couplings

ESH 20	Hose length 66 ft. / 20 m, red	Weight 20,8 kg
ESH 20	Hose length 66 ft. / 20 m, yellow	Weight 20,8 kg
ESH 20	Hose length 66 ft. / 20 m, black	Weight 20,8 kg

**LUKAS Connection Hose Pairs for mounting to motor pumps (one hose end mounted with quick couplings).**

Connection hose pairs red, yellow and black available in 16 ft. / 5 m, 32.8 ft. / 10 m, 49 ft. / 15 m, 66 ft. / 20 m and 98 ft. / 30 m length

Coupling set to convert connection hose pair to a extension hose pair

**Extension hose pair with quick couplings on both sides.**

Extension hose pair red, yellow and black available in 16 ft. / 5 m and 32.8 ft. / 10 m length

Extension hose pairs are also to be used, if motor pumps are equipped with quick couplings.

**Hydraulic hoses with safety ratio 4:1**
